

The table below shows the Teams that have outstanding data to submit to the Full-time system for recent games. Teams at fault are shown in **red/bold**.

The supplying of this data is mandatory - as included in the League Rules - and non-compliance can result in fines of £10 per week – per fixture.

It is therefore important that all those involved in the admin of these teams are made aware of this and are encouraged to make sure the data is entered as soon as possible.
