

Dear Secretaries,

Attached below is the latest fines update. If your club does not appear on either of these lists then you have nothing to deal with at this time.

As previously advised, you have seven days from the notification of charge to do one of the following:

- (i) Accept the charge and submit in writing a case of mitigation for consideration by the Management Committee on the papers; or
- (ii) Accept the charge and notify that it wishes to put its case of mitigation at a hearing before the Management Committee; or
- (iii) Deny the charge and submit in writing supporting evidence for consideration by the Management Committee on the papers; or
- (iv) Deny the charge and notify that it wishes to put its case of mitigation at a hearing before the Management Committee

If you fail to do this within seven days then the charge will remain in place at the level of fine listed. Therefore, it is in your best interests to deal with these matters urgently.

Milton Keynes & Border Counties Youth Football League								
Formal Written Notification of Charge. Response due by 24 February 2019								
Charge Number	Rule Number	Date of Charge	Date Incurred	Age Group	Club under Charge	Opponent/Reason	Fine Level	Wording of Charge
88	10E I & ii	17/02/2019	16/02/2019	U14	Linslade Galaxy Real	Vs Bromham Youth Tigers	£50	Failure to play fixture
89	10E I & ii	17/02/2019	16/02/2019	U15	Wolverton Tigermoths	Vs Tattenhoe Youth Tigers	£50	Failure to play fixture

The fines in the table below are due in full. I feel I must remind you as secretaries that payment is due by the date listed. If payment is late then the further charge is laid and payment is also due for that charge. Unfortunately, I cannot work with 'the cheque is in the post'. Clubs have three weeks from the day the charge is listed to resolve the issue. To send payment after this and not to expect further

The fines listed below are now due for payment by the date listed. If your club is subject to a charge under Rule 5(I) and is not paid by the due date then your team/club will have its fixtures suspended by the end of that day. Having your fixtures suspended will result in another charge and fine along with further charges for any game not played while your team or club is under suspension. Please deal with these charges immediately to save us reaching this position. If you believe I have made a mistake, please contact me ASAP to discuss this further.
